Greetings Everyone!

I'm writing to confirm that Jamey Stoddard (EPA's Chuitna Project Manager), Tami Fordham (EPA's Alaska Tribal Resource Extraction Policy Advisor), and myself (EPA's Tribal Coordinator for Southcentral Alaska and Tribal Specialist for the Office of Ecosystems, Tribal, and Public Affairs) are all available for a short teleconference next Tuesday July 26 at 12:00 noon Alaska time.

The purpose of the call is to discuss goals and expectations for government-to-government consultation between EPA and the Native Village of Tyonek on the proposed Chuitna Coal Project. Another thing we need to do, that should help streamline the process, is to establish who will serve as primary points for EPA and the Native Village of Tyonek in future planning for this consultation.
